KEMENTERIAN DALAM NEGERI

SITE VISIT INTRAC

29 July 2022 (Friday)   Immigration Northern Region Training Centre

INTRODUCTION OF INTRAC

- On 2 August 2019, the Director General of Immigration approved the Kuala Perlis Immigration Office building to be used as the Immigration Northern Region Training Centre (INTRAC).

- INTRAC, also known as the Immigration Intelligence Science School, was inaugurated by the Director General of Immigration on 24 February 2022.

OBJECTIVES

- To provide a clear picture of the current condition of the infrastructure and other training rooms facilities as preliminary preparation for NIISe training.

- Identify the training environment requirements in the existing ICT Training Room and support training room for implementing NIISe end-user training.

SCOPES

- Evaluate one (1) existing ICT Training Room and one (1) support training room to be used as a NIISe end-user training room.

- Discussion on additional criteria for training needs such as training room reservation mechanisms, nearby accommodation facilities and other facilities.
